

Performance Enhancer

You're beyond pain and
fatigue, your running is
rhythmic, instinctive and
flowing. You're in The Zone...

Running has become more than a sport. For many people it's a way of life, a challenge that adds a new dimension to life. **Cellfood® SPORT** can help you get into The Zone, whether you're a competitive runner or run for fitness, weight-loss, to socialise or simply let your body take flight in the open air.

Cellfood® SPORT is a performance enhancing supplement that can help you to obtain optimum fitness, health and mental attitude, whilst working to achieve your personal best performance.

Tests revealed that **Cellfood® SPORT** works remarkably by assisting an athlete's body in*:

- Increasing oxygen uptake
- Improving recovery time
- Reducing muscular cramps
- Increasing energy and endurance
- Delaying the onset of fatigue
- Optimizing the utilization of fats as energy source

*The above findings were as a result of a double-blind placebo controlled test conducted at the ISR, University of Pretoria [2002].

Plus, **Cellfood® SPORT** contains Cellfood®, Citrin K, and L-Carnitine - a must for every sport enthusiast!

Find your Zone, try **Cellfood® SPORT** today.

Cellfood®
Oxygen Mineral Supplement
