PARA-CYCLING REPORT

May 2016

I took part in the 2016 UCI Para-cycling Road World Cup held in Pietermaritzburg on 7 and 8 May 2016, competing in the T2 (tricycle) classification, with the following results:

- 🚲 Time Trial – Gold Medal (winning by 1 min 27 sec.)
- 🚲 Road Race – Gold medal (winning by more than 2 min.)
- 🚲 I also won the prestige's World Cup Leaders Jersey in my classification for earning the most points in the first World Cup of three scheduled for this year.

My next international competition will be on 20 and 21 May 2016 when I will represent my country at the UCI Para-cycling Road World Cup to be held in Ostend, Belgium.

I have been provisionally selected to the SA Team for the Rio 2016 Paralympics which will take place during September this year.

I would like to thank you for your huge support. It is much appreciated!

All the best and kind regards,
