

PATIENT INFORMATION LEAFLET

SCHEDULING STATUS:

Not scheduled.

PROPRIETARY NAME

(and dosage form):

CELLFOOD® REPAIR

WHY USE CELLFOOD® REPAIR?

The external condition of a person's skin, hair and nails is often the expression of the person's internal conditions of health. Silicon is the second most abundant element on the planet (oxygen is the first) and is necessary for the formation of collagen for bones and connective tissue; for healthy nails, skin and hair.

Degeneration can be caused by free radical damage, which then weakens the very structure of the body, leading to the visible signs of ageing.

"Silicon inhibits the ageing process in tissues. Silicon levels decrease with ageing, so elderly people need larger amounts."

(p32 Dr James Balch, M.D., & Phyllis Balch, CNC, "Prescription for Nutritional healing", 2nd Edition, New York: Avery Publishing Group, 1997.)

NOTE: PLEASE READ THE FOLLOWING INSTRUCTIONS BEFORE TAKING THIS MEDICINE:

Always tell your health care professional if you are taking any other medicine.

Do not share medicines prescribed for you with any other person.

Not all side-effects for this medicine are included in this Patient Information Leaflet. Should your general health worsen or if you experience any untoward effects while taking this medicine, please consult your doctor, pharmacist or health care professional for advice.

WHAT CELLFOOD® REPAIR CONTAINS:

Each 12 drops contain 8mg Silica and 480mg **CELLFOOD®** made up of a proprietary Blend consisting of plant sourced Calcium, Copper, Iron, Magnesium, Manganese, Phosphorus, Potassium, Sulfur, Zinc, Silicon, Liquid Seaweed (Lithothamnium Calcareum) and Purified Water.

INDICATIONS:

CELLFOOD® REPAIR is a liquid Silica Supplement Formula containing **CELLFOOD®** which is the leading oxygen mineral supplement formulation that oxygenates, energises, cleanses and nourishes your systems throughout the day.

CELLFOOD® REPAIR has been marketed for over 50 years and is currently available in over 90 countries worldwide.

CELLFOOD® REPAIR is available at selected pharmacies and health shops.

CELLFOOD® REPAIR contains ingredients from natural organic sources, and contains no alcohol, glucose, yeast, gluten or animal products; is non-addictive, non-toxic, non-invasive and there has been no animal testing.

NOTE: Dietary silicon differs considerably from silicone, a synthetic industrial polymer that contains controversial hydrocarbons, used for breast implants.

INTERACTIONS

CELLFOOD® REPAIR can be used in conjunction with other preparations, supplements or medicines.

CONTRA-INDICATIONS

None known.

PRECAUTIONS AND WARNINGS

If you are taking medicines on a regular basis, concomitant use of the medicine may cause undesirable interactions. Please consult your doctor, pharmacist or other health care professional for advice.

If you are pregnant or breast feeding your baby whilst taking this medicine, please consult your doctor, pharmacist or other health care professional for advice.

KEEP OUT OF REACH OF CHILDREN.

This medicine has not been evaluated by the Medicine Control Council. This medicine is not intended to diagnose, treat, cure or prevent any disease.

DOSAGE AND DIRECTIONS FOR USE

Adult Dosage: Shake bottle gently before using. Take 12 drops in 1/4 Glass of water or fruit juice, twice daily.

May also be used after strenuous physical activity, for muscle, cartilage and connective tissue support.

Sufficient quantity for 30 days.

SIDE EFFECTS

Those that have a tendency to form siliceous renal calculi should be cautious about using supplemental silica.

POTENTIAL ALLERGENS

None

IDENTIFICATION & PRESENTATION
